Hello James,

So far we have five confirmed tow trucks. We are currently working on a sixth. Because the Twittersphere is aware government is currently purchasing equipment, I do not want to compromise our secure marshalling site in Lethbridge (address below).

All vendors have agreed to deliver the tow trucks. The address I will give them is the Coaldale RCMP detachment, 705 19A Ave Coaldale (is that correct)?. Taking possession of the tow trucks as they roll in, is Sheriff Inspector Jason Delaney with Highway Patrol, cell **Irrelevant**

James "as we discussed, you'll then have RCMP members transport the tow trucks from Coaldale to our compound in Lethbridge.
